

MAPS IN MINUTES™

from RH Publications

RH Publications, the creators of MAPS IN MINUTES™, have been described by MacUser UK as "*The Leader in PostScript map-making.*" Awarded the prestigious MacUser UK "5 Mice" rating, their MAPS IN MINUTES package takes full advantage of the vector drawing capabilities in leading graphics applications to allow maximum flexibility in the creation of either simple or highly complex maps.

Four maps - the World, North America, Europe and UK & Ireland - are currently available. This Adobe Acrobat CD Sampler contains the World map in Adobe Acrobat Portable Document Format (PDF)
